

A BILL

FOR AN ACT TO PROVIDE FOR THE SUPPORT OF A STATION TO DISTRIBUTE
INFECTION MATERIAL OF INSECT DISEASES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

SECTION 1. That there is hereby established at the Iowa Agricultural College under
2 the direction of the entomologist a station for the culture and distribution of insect diseases
3 such as the chinch bug fungus.

SEC. 2. That for the support of said station there is hereby appropriated annually from
2 any moneys not otherwise appropriated \$1,000, or so much thereof as may be actually neces-
3 sary, to be used exclusively to provide for the culture and distribution of infection material
4 for the destruction of chinch bugs or other destructive insects that may be treated in like
5 manner; said support to include cost of material, labor, expert assistance, postage, express,
6 traveling expenses, etc., but not to include any office or laboratory room rent: said money to
7 be paid out by the state treasurer on bills certified to by the entomologist and approved by
8 the executive council.

SEC. 3. That the state printer is hereby ordered to print annually, with necessary
2 illustrations, a report of the work done with summary of results, itemized statement of
3 expenditures, and such other matter relative to insects and their subjugation as may render
4 most effective the practical control of insect pests within the state; said report to be printed
5 in such form and number and to be distributed as a bulletin of the experiment station.

SEC. 4. That for the purpose of fulfilling the provisions of this act the entomologist of
2 the agricultural college shall be *ex-officio* state entomologist.
